Dear Shareholder:

The purpose of this letter is to inform you that effective February 28, 2019 (the "Voting Record Date"), holders of the common stock of ShiftPixy, Inc., a Wyoming corporation (the "Company") representing in the aggregate 77.8% of the voting capital stock of the Company (the "Consenting Stockholders"), by written consent in lieu of a meeting, as provided under the Wyoming Business Corporation Act ("WBCA"), approved and ratified the following corporate actions (the "Authorizations"):

- (a) The entry into a Securities Purchase Agreement (the "Purchase Agreement"), pursuant to which the Company sold to a group of investors ("Investors") Senior Convertible Notes (the "Notes") and warrants (the "Warrants" and together with the Notes, the "Securities") to purchase shares of the Company's common stock, (the "Common Stock") for an aggregate purchase price of \$4,750,000 and issued the Notes and Warrants to the Investors (the "March 2019 Financing Transaction");
- (b) The entry into certain Amendment Agreements, each by and between the Company and a holder of the Company's: (a) 8% Senior Secured Convertible Notes Due September 4, 2019 (the "Existing June Notes"), and (b) 8% Senior Secured Convertible Notes Due December 31, 2019 (the "Existing December Notes," and together with the Existing June Notes, the "Existing Notes"), issued by the Company which, among other things, reduced the floor price from \$1.25 per share to \$1.00 per share; and
- (c) The future issuance of shares of Common Stock in excess of 19.99% of the currently issued and outstanding shares of Common Stock of the Company upon the conversion of the Notes and the Existing Notes, and the exercise by the Investors of their respective Warrants of additional shares of Common Stock.

Concurrently with the Authorizations, all of the members of the board of directors (the "Board") of the Company, by written consent in lieu of a meeting, as provided under the WBCA, provided a similar authorization.

The March 2019 Financing Transaction closed effective March 12, 2019.

The foregoing resolutions are required because under the terms of the Notes and Warrants, the Company will most likely have to issue more than 19.99% of its issued and outstanding Common Stock pursuant to the conversion of the Notes and the Existing Notes and the exercise of the Warrants by the Investors.

Under NASDAQ Listing Rule 5635(d), the Company may not issue shares of Common Stock (or securities convertible into or exercisable for Common Stock) in other than public offerings without stockholder approval if the aggregate number of shares of Common Stock issued would be equal to or greater than 20% of the Company's issued and outstanding shares of Common Stock as of the date of issuance (the "Exchange Cap") and the price per share of Common Stock issued is less than the the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement or the average closing price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement (the "Minimum Price").

As a result of the foregoing resolutions, on the date which is 20 calendar days after the date of mailing this Information Statement to its shareholders, the Company will comply with NASDAQ Listing Rule 5635(d), as these resolutions constitute shareholder approval for the Company to issue shares of Common Stock to the holders of Notes and Existing Notes upon conversion and Warrants upon exercise in an amount more than 19.99% of the issued and outstanding Common Stock on the closing date under the Purchase Agreement, even if the price per share of Common Stock issued in connection with the Financing Transaction is less than the Minimum Price.

The accompanying Information Statement, which we urge you to read carefully, describes the Authorizations in more detail, and is being furnished to our stockholders for informational purposes only, pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations prescribed thereunder. Pursuant to Rule 14c-2 under the Exchange Act, the Authorizations may not be effected until at least 20 calendar days after a Definitive Information Statement is filed with the

Securities and Exchange Commission and a copy thereof is mailed to each of the Company's stockholders.

INFORMATION STATEMENT

April [##], 2019

THIS INFORMATION STATEMENT IS BEING PROVIDED TO YOU BY THE
BOARD OF DIRECTORS OF SHIFTPIXY, INC.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE
REQUESTED NOT TO SEND US A PROXY**

THIS IS NOT A NOTICE OF A MEETING OF STOCKHOLDERS AND NO STOCKHOLDERS'
MEETING WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED HEREIN.

This Information Statement is being furnished to the holders of shares of common stock (the "Common Stock"), of ShiftPixy, Inc. (the "Company"). This Information Statement is being furnished in connection with the written consent in lieu of a meeting of the holders of a majority of the Company's issued and outstanding shares of Common Stock taken without a meeting to approve the actions described in this Information Statement. In this Information Statement, all references to the "Company," "we," "us" or "our" refer to ShiftPixy, Inc., a Wyoming corporation.

Stockholders of record as of [date], 2019 (the "Notice Record Date") are entitled to receive this Information Statement. This Information Statement is being sent to our stockholders on or about [date of mailing], 2019.

Pursuant to Rule 14c-2 promulgated by the Securities and Exchange Commission ("SEC") under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the actions described herein will not become effective until at least 20 calendar days following the date on which this Information Statement is first mailed to our stockholders.

We will bear the entire cost of furnishing this Information Statement. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith.

On the Voting Record Date, holders of Common Stock of the Company representing in the aggregate 77.8% of the voting capital stock of the Company (the Consenting Stockholders) by written consent in lieu of a meeting under the Wyoming Business Corporation Act (WBCA), approved the following corporate actions (the Authorizations):

- (a) The entry into a Securities Purchase Agreement (the “Purchase Agreement”), pursuant to which the Company sold to a group of investors (“Investors”) Senior Convertible Notes (the “Notes”) and warrants (the “Warrants” and together with the Notes, the “Securities”) to purchase shares of the Company’s Common Stock for an aggregate purchase price of \$4,750,000 and issued the Notes and Warrants to the Investors (the “March 2019 Financing Transaction”);
- (b) The entry into certain Amendment Agreements, each by and between the Company and a holder of the Company’s: (a) 8% Senior Secured Convertible Notes Due September 4, 2019 (the “Existing June Notes”), and (b) 8% Senior Secured Convertible Notes Due December 31, 2019 (the “Existing December Notes,” and together with the Existing June Notes, the “Existing Notes”), issued by the Company which, among other things, reduced the floor price from \$1.25 per share to \$1.00 per share; and
- (c) The future issuance of shares of Common Stock in excess of 19.99% of the currently issued and outstanding shares of Common Stock of the Company upon the conversion of the Notes and the Existing Notes, and the exercise by the Investors of their respective Warrants of additional shares of Common Stock.

In addition, prior to the Authorizations, all of the members of the board of directors (the “Board”) of the Company, by written consent in lieu of a meeting, as provided under the WBCA, provided a similar authorization.

The March 2019 Financing Transaction closed effective March 12, 2019.

The foregoing resolutions are required because under the terms of the Notes and Warrants, the Company will most likely have to issue more than 19.99% of its issued and outstanding Common Stock pursuant to the conversion of the Notes and the Existing Notes and the exercise of the Warrants by the Investors.

Under NASDAQ Listing Rule 5635(d), the Company may not issue shares of Common Stock (or securities convertible into or exercisable for Common Stock) in other than public offerings without stockholder approval if the aggregate number of shares of Common Stock issued would be equal to or greater than 20% of the Company’s issued and outstanding shares of Common Stock as of the date of issuance (the “Exchange Cap”) and the price per share of Common Stock issued is less than the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement or the average closing price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement (the “Minimum Price”).

As a result of the foregoing resolutions, on the date which is 20 calendar days after the date of mailing this Information Statement to its shareholders, the Company will comply with NASDAQ Listing Rule 5635(d), as these resolutions constitute shareholder approval for the Company to issue shares of Common Stock to the holders of Notes and Existing Notes upon conversion and Warrants upon exercise in an amount more than 19.99% of the issued and outstanding Common Stock on the closing date under the Purchase Agreement, even if the price per share of Common Stock issued in connection with the Financing Transaction is less than the Minimum Price.

In order to obtain the approval of our stockholders contained in the Authorizations, we could have convened a special meeting of our stockholders for the specific purpose of voting on such matters. However, the WBCA and our Articles of Incorporation and by-laws provide that any action that may be taken at any annual or special meeting of stockholders may be taken without a meeting and without prior notice if a consent in writing setting forth the action taken is signed by the holders of outstanding shares of voting capital stock having not less than the minimum number of votes that would be necessary to take such action. In order to eliminate the costs and management time involved in holding a meeting and obtaining proxies and in order to effect the above Authorizations as quickly as possible in order to accomplish the purposes described herein, we elected to utilize the written consent of the holders of a majority of the outstanding shares of our voting capital stock.

As of the close of business on the Voting Record Date, there were issued and outstanding 32,117,326 shares of Common Stock and no other issued and outstanding shares of voting capital stock.

On the Voting Record Date, pursuant to the applicable provisions of the WBCA and our Articles of Incorporation and by-laws, we received a written consent approving the Authorizations from the Consenting Stockholders, who hold an aggregate of 25,000,000 shares of our Common Stock, representing approximately 77.8% of our issued and outstanding shares of Common Stock. Thus, your consent is not required and is not being solicited in connection with the approval of the Authorizations.

The following table sets forth the names of the Consenting Stockholders, the number of shares of the Common Stock beneficially owned, directly or indirectly, by the Consenting Stockholders as of the Voting Record Date, the total number of votes in favor of the Authorizations and the percentage of the issued and outstanding voting equity of the Company that voted in favor thereof.

AUTHORIZATIONS

General

On the Voting Record Date, holders of Common Stock of the Company representing in the aggregate 77.8% of the voting capital stock of the Company (the "Consenting Stockholders") by written consent in lieu of a meeting under the Wyoming Business Corporation Act ("WBCA"), approved the following corporate actions (the "Authorizations"):

- (a) The entry into a Securities Purchase Agreement (the "Purchase Agreement"), pursuant to which the Company sold to a group of investors ("Investors") Senior Convertible Notes (the "Notes") and warrants (the "Warrants" and together with the Notes, the "Securities") to purchase shares of the Company's Common Stock for an aggregate purchase price of \$4,750,000 and issued the Notes and Warrants to the Investors (the "March 2019 Financing Transaction");
- (b) The entry into certain Amendment Agreements, each by and between the Company and a holder of the Company's: (a) 8% Senior Secured Convertible Notes Due September 4, 2019 (the "Existing June Notes"), and (b) 8% Senior Secured Convertible Notes Due December 31, 2019 (the "Existing December Notes," and together with the Existing June Notes, the "Existing Notes"), issued by the Company which, among other things, reduced the floor price from \$1.25 per share to \$1.00 per share; and
- (c) The future issuance of shares of Common Stock in excess of 19.99% of the currently issued and outstanding shares of Common Stock of the Company upon the conversion of the Notes and the Existing Notes, and the exercise by the Investors of their respective Warrants of additional shares of Common Stock.

Concurrently with the Authorizations, all of the members of the board of directors (the "Board") of the Company, by written consent in lieu of a meeting, as provided under the WBCA, provided a similar authorization.

The March 2019 Financing Transaction closed effective March 12, 2019.

Reasons for the Authorizations

The foregoing resolutions are required because under the terms of the Notes and Warrants, the Company will most likely have to issue more than 19.99% of its issued and outstanding Common Stock pursuant to the conversion of the Notes and the Existing Notes and the exercise of the Warrants by the Investors.

Under NASDAQ Listing Rule 5635(d), the Company may not issue shares of Common Stock (or securities convertible into or exercisable for Common Stock) in other than public offerings without stockholder approval if the aggregate number of shares of Common Stock issued would be equal to or greater than 20% of the Company's issued and outstanding shares of Common Stock as of the date of issuance (the "Exchange Cap") and the price per share of Common Stock issued is less than the the closing price (as reflected on Nasdaq.com) immediately preceding the signing of the binding agreement or the average closing price of the Common Stock (as reflected on Nasdaq.com) for the five trading days immediately preceding the signing of the binding agreement (the "Minimum Price").

As a result of the foregoing resolutions, on the date which is 20 calendar days after the date of mailing this Information Statement to its shareholders, the Company will comply with NASDAQ Listing Rule 5635(d), as these resolutions constitute shareholder approval for the Company to issue shares of Common Stock to the holders of Notes and Existing Notes upon conversion and Warrants upon exercise in an amount more than 19.99% of the issued and outstanding Common Stock on the closing date under the Purchase Agreement, even if the price per share of Common Stock issued in connection with the Financing Transaction is less than the Minimum Price.

Potential Effect of the Authorization

Any issuance of additional shares of Common Stock as a result of the conversion of the Notes and Existing Notes and the exercise of the Warrants that were approved by the Consenting Stockholders pursuant to the Authorizations will dilute the ownership and voting rights of stockholders and, depending upon the price at which the shares are issued, could have a negative effect on the trading price of the Company's Common Stock.

No Consent Required

As of the Voting Record Date, 32,117,326 shares of our Common Stock were issued and outstanding. On the Voting Record Date, pursuant to the applicable provisions of the WBCA and our Articles of Incorporation and by-laws, we received a written consent approving the Authorizations from the Consenting Stockholders, who hold an aggregate of 25,000,000 shares of our Common Stock, representing approximately 77.8% of our issued and outstanding shares of Common Stock. Accordingly, the requisite shareholder approval of the Authorizations was obtained. Thus, your consent is not required and is not being solicited in connection with the approval of the Authorizations.

Dissenters' Rights

Pursuant to the WBCA, our stockholders are not entitled to dissenters' rights with respect to the Authorizations.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows the beneficial ownership of our Common Stock as of the Voting Record Date, held by (i) each person known to us to be the beneficial owner of more than 5% of our Common Stock; (ii) each director; (iii) each executive officer; and (iv) all directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules of the SEC, and generally includes voting power and/or investment power with respect to the securities held. Shares of Common Stock subject to options and warrants currently exercisable or which may become exercisable within 60 days are deemed outstanding and beneficially owned by the person holding such options or warrants for purposes of computing the number of shares and percentage beneficially owned by such person, but are not deemed outstanding for purposes of computing the percentage beneficially owned by any other person. Except as indicated in the footnotes to this table, the persons or entities named have sole voting and investment power with respect to all shares of our Common Stock shown as beneficially owned by them. Applicable percentages are based on 32,117,326 shares of the Company's Common Stock outstanding on the Voting Record Date.
